

## 10th Annual Right Care Initiative

### Clinical Performance Improvement Leadership Summit

Thursday, April 5, 2018 - 9:00 a.m. to 6:30 p.m.

UC Berkeley Clark Kerr Conference Center, 2601 Warring Street, Berkeley 94720

***Right Care Initiative Goal: Reduce the interval between scientific advances and practical implementation in high-yield areas to prevent disability and death, with current focus on the prevention and better management of heart disease, strokes and diabetic complications.***

*Achieve 75 % in good control, or "A Grade" (90th Percentile) HEDIS levels for Cardiovascular Disease and Diabetes, whichever is greater.*

***2018 priorities:***

- ✚ 75% of hypertensive patients with blood pressure (BP) controlled: <140/90 mm Hg***
- ✚ 75% of diabetic patients with blood sugar controlled: Hemoglobin A1c<8 (HEDIS Performance year 2016=67%)***  
*In absence of HEDIS cardiovascular disease lipid control 90th percentile target, Right Care Initiative 2018 target:*
- ✚ 75% of patients with diabetes and/or cardiovascular conditions on appropriate cholesterol therapy (proxy, LDL controlled: LDL-C<100mg/dL)***

(Breakfast and check-in 9:00 - 9:45 a.m.; Awards 5:00 p.m.; Reception 5:30 to 6:30 p.m.)

9:00 -9:45 **Networking Breakfast & Check-In-please be seated by 9:45 for announcements & prompt start**

9:50 -10:10 ***Opening Welcome***

**Stefano Bertozzi, MD, PhD**, Dean, University of California, Berkeley, School of Public Health

**Stephen M. Shortell, PhD, MBA, MPH**, Chairman and Co-Founder, Right Care Initiative Technical Expert Group; Professor and Dean Emeritus UC Berkeley School of Public Health; Founder and Co-Director, Center for Health Organizational and Innovation Research (CHOIR)

**Janet Wright, MD**, Director, Million Hearts, United States Health and Human Services Agency

**Hattie Rees Hanley, MPP**, Co-Founder and Director, Right Care Initiative, UC Berkeley School of Public Health, Center for Health Organizational and Innovation Research (CHOIR)

10:10 -11:00 ***Breakthroughs in Stroke Care & Activation for Improved Outcomes via Helsinki Model:***

***Progress on 2013 Right Care Summit Dr. Milstein's 20 Minute Door-to-Needle Time Challenge***

**Moderator: Arnold Milstein, MD, MPH**, Professor of Medicine & Founding Director, Stanford University Clinical Excellence Research Center; Medical Director, Pacific Business Group on Health; founding member, Right Care Initiative Technical Expert Group

**Chuck Toeniskoetter, MBA**, Survivor & Patient Advocate; Founder, Stroke Awareness Foundation

**Jeffrey Klingman, MD**, Chief, Kaiser Permanente Northern California Neurology & Stroke Innovation Leader

**Nirali Vora, MD**, Clinical Assistant Professor, Neurology, Stanford Stroke Center, Director, Global Health Neurology Associate Program Director, Adult Neurology Residency

11:00 -11:10 ***CA Progress & Challenges in Meeting the 90th Percentile Right Care Targets for Blood Pressure,***

***Lipid, and Blood Sugar Control - Review of Performance Trends and National Top Performers***

**Hector P. Rodriguez, PhD, MPH**, Henry J. Kaiser Endowed Chair in Organized Health Systems; Chair, Faculty Group in Health Policy; Co-Director, CHOIR; Professor of Health Policy and Management; Right Care Initiative Technical Expert Group; UC Berkeley School of Public Health

11:10 -12:00 *Million Hearts Champions; Progress & Challenge*

- **Janet Wright, MD**, Director, US HHS Million Hearts; Proven Strategies
- **Michael Kanter, MD**, Chief of Quality Improvement, Kaiser Permanente Medical Group So. Cal & National
- **Parag Agnihotri, MD**, Medical Director, Continuum of Care, Sharp Rees-Stealy Medical Group

12:00- 12:10 *Special Announcement from Blue Shield of California and UC Berkeley School of Public Health on Expanding the Right Care Initiative Get to Zero First Challenge*

12:10 -1:00 **Luncheon & Networking Hour**

1:00 -3:00 *AMGA's Together 2 Goal® Campaign: A Diabetes Deep Dive*

**Approach to Improving Care Nationwide:**

- **Jerry Penso, MD, MBA**, President and CEO, AMGA, and Right Care Initiative University of Best Practices Co-founder, and 2009 Right Care Leadership Award Winner
- **John W. Kennedy, MD**, President, AMGA Foundation and Chief Medical Officer, AMGA

**Medical Group Panel Moderator: Professor Hector P. Rodriguez, PhD, MPH**

- **Beth Averbeck, MD**, Senior Medical Director, Primary Care, HealthPartners Medical Group (Minneapolis, MN)
- **Christopher Jones, MD**, Chair, Diabetes Clinical Program, Intermountain Medical Group (Salt Lake City, UT)
- **Phil Oravetz, MD, MPH, MBA**, Medical Director, Accountable Care, Oschner Health System (New Orleans, LA)

**A1c Control: The “Leaky Bucket”:**

- **John Cuddeback, MD, PhD**, Chief Medical Informatics Officer, AMGA
- **R. James (Jim) Dudl, MD**, Diabetes Lead, Care Management Institute, Community Benefits, Kaiser Permanente, ALL Medication Bundle National Champion

3:00 - 3:10 **Break**

3:10 -4:00 *Improving the Get to Zero Equation for Preventable Cardiovascular Disabilities & Deaths Right Care's 1st 10 Years & Planning the Next 10 -- Intensifying the Right Care Triangle*

**Moderators: Parag Agnihotri, MD**, Medical Director, Continuum of Care, Sharp Rees-Stealy Medical Group; co-founder Sacramento Capital Region University of Best Practices; Be There San Diego CMMI grant Health Care Teams Committee Chairman; and **Hattie Rees Hanley, MPP**

*Econometric Analysis of Right Care Initiative's 1st Demonstration Project-- Acute Myocardial Infarctions -10*

- **Allen Fremont, MD, PhD**, RAND; Right Care Initiative TEG & National Institutes of Health GO grant Co-Principal Investigator; Data Group Leader, Be There San Diego UBP, and LA UBP leadership team
- **Susan L. Ivey, MD, MHSA**, Adjunct Professor, School of Public Health, and Research Director, Health Research for Action, UC Berkeley

*Improving the Get to Zero Equation – Leaders from Three University of Best Practices*

- **William J. Bommer, MD**, American College of Cardiology CA Chapter, Executive Board; UC Davis, Cardiology & Co-Chair Capitol Region Right Care Initiative University of Best Practices (UBP)
- **Anthony DeMaria, MD**, UCSD Cardiology, Co-founder & Chairman San Diego UBP & Be There Campaign
- **Tony Kuo, MD, MSHS**, Director of Senior Health and Chronic Disease and Injury Prevention, Department of Public Health, Los Angeles County Health Agency, and Co-Chair Los Angeles UBP
- **Karol Watson, MD, PhD**, Co-Director, UCLA Preventative Cardiology and Co-Chair LA UBP

*Response and Insights on the Get to Zero Equation for Preventable Cardiovascular Events*

- **Janet Wright, MD**, Director, Million Hearts

4:00 -4:30 *Patient and Family Engagement, Education and Activation*

- **Victoria Dupuy**, Founder & Executive Director, No More Broken Hearts (5 Minute *Calls to Action*\*)
- **LaVonna Blair Lewis, PhD, MPH**, Teaching Professor, USC School of Pharmacy, LA UBP Co-Chair\*
- **Elizabeth Helms**, President and CEO, California Chronic Care Coalition\*
- **Stephen M. Shortell, PhD, MBA, MPH**, Right Care Initiative Technical Expert Group Chairman-*Results*

4:30 -5:00 *Insights to Get to Zero Preventable Heart Attacks, Strokes, Diabetic Complications*

Moderator: **Stephen M. Shortell**

- **Carol Zaher, MD**, Health Net Cardiologist & Medical Director
- **Jeffrey Mason, MD**, Retired Chief Medical Director, United Health Plan of California
- **Joseph Sky, MD, LtCol, USAF, MC, FS**, Chief of Cardiology, Medical Director, Heart Lung and Vascular Center, Travis Airforce Base
- **Marcus Thygesson, MD**, Retired Chief Medical Officer Blue Shield of California
- **Marilyn Stebbins, PharmD**, UCSF School of Pharmacy, Innovations Director
- **Mathew P. Wonnacott, MD**, (USAF Col. Retired) Medical Director, Barton Health Community Clinics, Co-Chair Capital Region University of Best Practices
- *Followed by Insights Around the Room 10 Words or Less*

5:00 -5:30 **Awards - Dr. Janet Wright, Steve Shortell & Hattie Rees Hanley**

*Reception Following to Honor Awardees*

*And to*

*Celebrate Right Care's 10<sup>th</sup> Anniversary*

**Leaders & Innovators Awards, including:** *Words of Wisdom* from Lifetime Achievement award winner, Rev. Barnes

**Warren Barnes, JD, M.Div.**, Chief Lawyer, State of California Department of Managed Health Care, retired; Pastor, Grace Presbyterian Church- **Right Care Lifetime Achievement Award**

**Jose Alberto Arevalo, MD**, Co-founder Capital Region University of Best Practices & Chief Medical Officer, Sutter Independent Practice Association; **Community Leadership Award**

**LaVonna Blair Lewis, PhD, MPH** – **Cardiovascular Public Policy Champion**

**Jim Dudl, MD**, **High Impact Care Innovation Award – ALL Medication Bundle**

**Elizabeth Helms**, **Patient Care Activist**

**Jeff Klingman, MD**, **Innovation Award- Stroke Care Redesign**

**Arnold Milstein, MD**, **Visionary Award- Stroke 20 Minute Door to Needle Time**

**Chuck Toeniskoetter, MBA**, **Leadership Award Stroke Care Improvement**

- **Health Plan and Medical Group Awardees on the next page** -

**Hypertension and Diabetes, 90<sup>th</sup> Percentile Health Plans & Medical Groups**

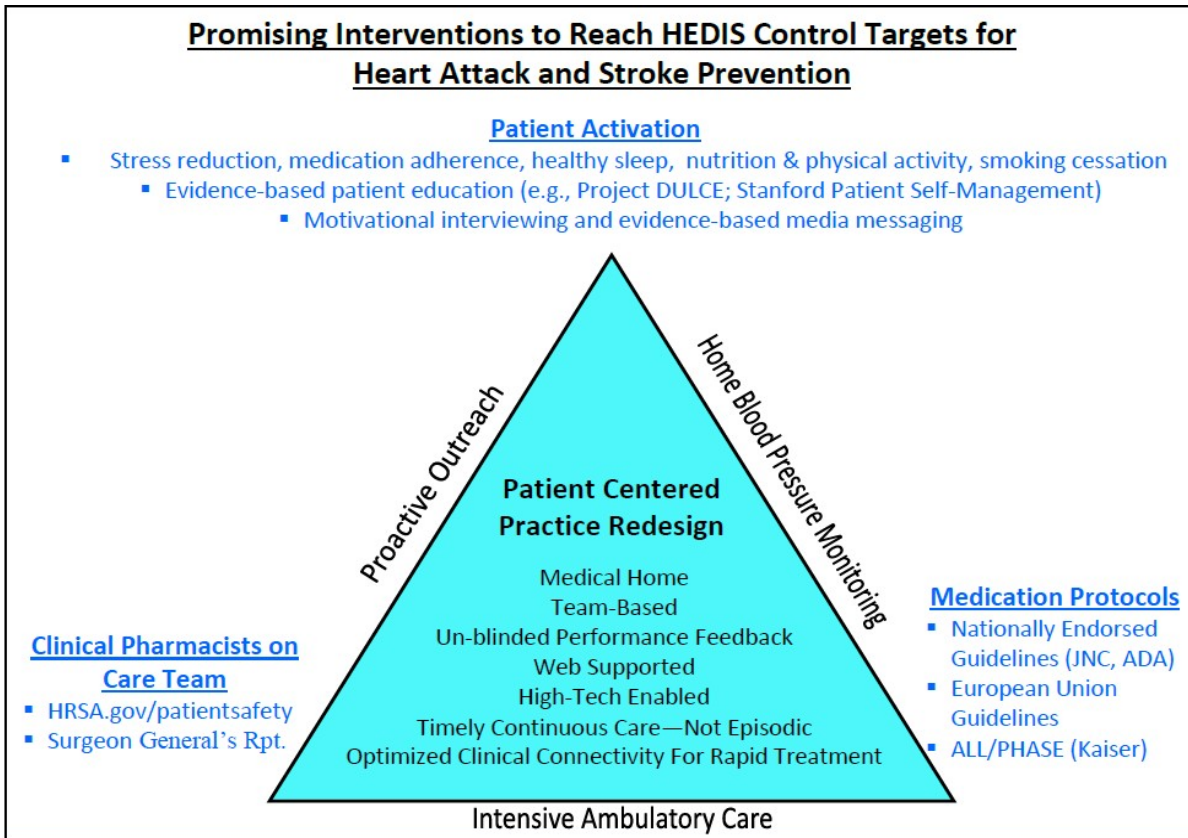

- Edinger Medical Group
- Kaiser Permanente Health Plan Northern California /The Permanente Medical Group (Northern California)
- Sharp Health Plan
- Scripps Clinic Medical Group
- Scripps Coastal Medical Center
- Sharp Rees-Stealy Medical Group

**Hypertension, 90<sup>th</sup> Percentile Health Plans & Medical Groups**

- Kaiser Permanente - Southern California Permanente Medical Group
- My Family Medical Group

**Diabetes Blood Sugar Control, 90<sup>th</sup> Percentile Medical Groups**
