

A G E N D A

Monday, May 20, 2019 | 11:30 a.m. to 2:30 p.m.

(Networking lunch served at 11:30 a.m.)

RAND Corporation | 1st Floor at The Forum

1776 Main St. Santa Monica, CA 90401

Right Care Initiative Goal: Drive Toward Zero Preventable Heart Attack, Stroke, Diabetes, and Heart Failure Deaths & Disabilities Through Best Available Science Combined with Proactive Screening & Outreach

Achieve 80 % in good control, or "A Grade" (90th Percentile) HEDIS levels for Cardiovascular Disease and Diabetes, whichever is greater.

Priorities:

- ✚ 80% of hypertensive patients with blood pressure (BP) controlled: <140/90 mm Hg
- ✚ 80% of diabetic patients with blood sugar controlled: Hemoglobin A1c<8
- ✚ 80% of patients with diabetes and/or cardiovascular conditions on appropriate cholesterol therapy (proxy, LDL controlled: LDL-C<100mg/dL. Or for very high risk ASCVD, LDL-C<70mg/dL or lower)
- ✚ Proactive Community Outreach to Screen & Identify Vulnerable Patients to Connect to Treatment & Support

- 12:00 to 12:05 p.m.** ***Welcome, Introductions, and Chairpersons' Remarks***
Chloe Bird, PhD, MA, Co-Chair, Right Care Initiative University of Best Practices—Los Angeles; Senior Social Scientist, RAND Corporation
Carol Zaher, MD, MPH, MBA, Co-Chair, University of Best Practices, Heart Failure Work Group Co-Chair, Right Care Initiative—Los Angeles; Medical Director, Health Net California Medical Management, Centene
Hattie Rees Hanley, MPP, Director, Right Care Initiative, University of California, Berkeley School of Public Health
- 12:05 to 12:10 p.m.** ***Setting the Landscape: Congestive Heart Failure***
Cindy Giambrone, PharmD, Co-chair, Right Care Initiative Heart Failure Work Group; Director, Performance Improvement and ACO Pharmacy Risk at MemorialCare Medical Group
Keith Emmons, MD, MPH, Co-chair, Right Care Initiative Heart Failure Work Group; Retired United Health Plan Medical Director
Shawni Smith, Regional Director, Quality & System Improvement, American Heart Association
- 12:10 to 1:10 p.m.** ***Innovations in Treatment for Patients with Congestive Heart Failure***
Cindy Peters, RN, MSN, ACNP, Nurse Practitioner, MemorialCare Heart & Vascular Institute, Long Beach Medical Center
- 1:10 to 1:20 p.m.** ***Break***
- 1:20 to 1:45 p.m.** ***Breakout Session***
- 1:45 to 2:15 p.m.** ***Discussion of Breakout Findings***
- Group A: Barriers to treatment
 - Group B: Post-discharge planning
 - Group C: How to identify potential “friendly faces” and reduce readmission
- 2:15 to 2:30 p.m.** ***Summary Discussion and Closing Remarks***

***Thank you, RAND Corporation, for hosting
The Right Care Initiative LA University of Best Practices!***

Objective: Evaluate ability to adopt evidence-based practices and interventions for preventing and better managing premature heart attacks, strokes and diabetes.

Educational Format: This activity will include didactic lectures with Q&A. This activity will be evaluated by each participant at the end of the fiscal year.

Target Audience: The activity content is oriented to address the educational needs of attending physicians/faculty, residents/fellows and other allied health care professionals.

Accreditation Statement: The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation: The Keck School of Medicine of the University of California designates this live activity for a maximum of **2.0 AMA PRA Category 1 Credit(s)**TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Allied Health Care Professionals: Registered nurses may report up to **2.0** credit hour toward the continuing education requirement for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number. ♦ The National Commission on Certification of Physician Assistants states that AMA accredited Category 1 courses are accepted for re certification.

Disclosure:

As an organization accredited by the ACCME The Keck School of Medicine of the University of Southern California requires everyone who is in a position to control the content of an education activity to disclose prior to the activity all relevant financial relationships with any commercial interest. All disclosed relevant financial relationships would have been resolved prior to the commencement of the activity.

Presenter: Cindy Peters RN, MSN, ACNP has indicated she has nothing to disclose.

Course Director/CME Planners: The course director and CME planners have indicated they have nothing to disclose.

During the course of this activity, there may be report and/or discussion of unlabeled or unapproved uses of pharmaceuticals and/or medical devices. All such report and/or discussion are attested to be based on evidence that is generally accepted within the profession of medicine and conforms to the generally accepted standards of experimental design, data collection and analysis.

Support: None.

In accordance with the Americans with Disabilities Act (ADA), please call the CME office at (323)442-2555 should you require special assistance or need additional information regarding this activity.
