Who is AltaMed?

Founded in **1969**, AltaMed Health Services Corporation is a network of federally qualified health centers.

- **41** service sites (Los Angeles & Orange Counties)
- **~1 million** encounters for primary care, behavioral health, dental services, senior care, and other social services for **296K** unique patients.
- Approximately **86-97%** of our patient population self-identifying as Latino.
1) Best practice: Rapid cycles of communication
   1) Overload of Information
2) Increase capacity
3) Tell:
   1) The truth, what you know, don’t know and what you would wish for
4) Innovation and implementation
5) Protect your team members
6) The Health System After Covid-19
