

## **Edward M. Yu, MD, CMQ, CPPS, CPE**

### **Chief Quality Officer, Palo Alto Medical Foundation**

Dr. Edward Yu, MD, currently serves as the Chief Quality Officer of Palo Alto Medical Foundation. In this role, he directs clinical quality programs to promote evidence-based practices in the fields of preventive health, chronic disease management, population health, and health system innovations. Dr. Yu holds expertise in change management, strategic planning involving lean management systems and service line deployment. Dr. Yu has led multiple initiatives in population health management, value based care and evaluation sciences that have ultimately improved outcomes in clinical quality, patient experience, patient safety and clinic operations in multi-specialty group practice. In addition to his role as Chief Quality Officer, he is the current Chairman of the PAMF Regional Quality Improvement Steering Committee. Dr. Yu is Family Medicine Board Certified and completed his residency at the UCLA David Geffen School of Medicine.
